## ABOUT ME

---

B.Tech graduate in Computer Science and Engineering with specialization in Artificial Intelligence, with hands-on experience in programming, AI/ML, deep learning concepts, and data science. Passionate about building innovative solutions, improving technical skills, and exploring emerging technologies. A fast learner with a strong drive to master new domains and adapt to challenging environments.

## TECHNICAL SKILLS

---

Languages: Python, C, R, HTML, CSS, JavaScript, C++

Databases: SQL, MongoDB

Frameworks & Libraries: OpenCV, Scikit-learn, PyTorch, TensorFlow/Keras

## PROJECTS

---

**PathPilot – Intelligent Navigation System for the Visually Impaired** | Flutter, Python, YOLO, MiDaS, LLMs

[GitHub](#)

A real-time perception pipeline combining object detection, monocular depth estimation, spatial memory system and a virtual assistant for persistent environment awareness for assisting Visually Impaired Individuals.

**Smart AI Classroom Assistant** | React, Python, NLP, CV | Intel® Unnati Industrial Training

[GitHub](#)

A React-based learning assistant with emotion detection using webcam.

Implemented models for summarization, context-based Q&A, and quizzes.

**Brush or Algorithm – AI vs Human Art Classifier** | Python, AI/ML, GradCAM, Flutter

[GitHub](#)

A GE-CNN model to classify AI vs human art using carefully curated datasets.

Added heatmaps and confidence scores for interpretability and integrated into a Flutter app.

## ACHIEVEMENTS AND CERTIFICATIONS

---

Best Paper Award for paper titled “Brush or Algorithm” at FoCS 2025 (NICHE Kanyakumari)

[Google Cloud Career Launchpad](#) (Generative AI) – LLMs, prompt design, deployment

[Computer Vision](#) – IIT Kharagpur

[Computer Vision & Image Processing: Fundamentals and Applications](#) – IIT Guwahati

## EDUCATION

---

Mar Baselios College of Engineering and Technology – B.Tech in CSE (AI specialization)

CGPA 8.93 | Trivandrum, Kerala

## KEY COMPETENCIES

---

Languages: English (Proficient), Hindi (Proficient), Malayalam (Native)

Soft Skills : Public Speaking, Creativity, Adaptability, Fast Learning, Multitasking
